Duty Station	: Nakivale and Kyangwali- Uganda
Classification	: General Service
Type of Appointment	: Fixed term, one year with possibility of extension
Estimated Start Date	: As soon as possible
Closing Date	: 6 th October 2023

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants. IOM is committed to a diverse and inclusive environment. Internal candidates are eligible to apply to this vacancy and are considered as first-tier candidates

ORGANIZATIONAL CONTEXT AND SCOPE

Under the overall supervision of the Chief of Mission (COM) and the direct supervision of the Chief Migration Health Nurse (CMHN) or Senior Migration Health Nurse the successful candidate will be responsible for the following duties and responsibilities in relation to the Migration Health Assessment Centre (MHAC) in Kyangwali and Nakivale.

Core Functions / Responsibilities:

1. Perform daily nursing activities in the Migration Health Assessment Clinic (MHAC) to fulfil the technical requirements of the resettlement countries in the areas of:
 - a) Medical examinations,
 - i. Such as checking vital signs, weight, height, visual acuity;
 - ii. Blood, urine or sputum collection as required;
 - b) Imaging;
 - c) Laboratory testing;
 - d) Vaccinations;
 - e) TB management;
 - f) Treatment and referrals;
 - g) Pre-departure procedures and medical movements;
 - h) Documentation, certification and information transmission; and,
 - i) Other technical areas as may be required.

2. Provide information and detailed explanations to the migrants and/or refugees in relation to:
 - The migration health assessment process; and,
 - Treatments and referrals.
3. Ensure proper identification and follow-up by:
 - Comprehensive history taking.
 - Accurate and thorough Biodata collection.
 - Ensuring ID verification for each step of the health assessment process; and,
 - Keeping a register of applicants who undergo health investigations and testing.
4. Follow and implement the Health Assessment Programmes check lists and SOP's and maintain standard universal precautions within MHAC.
5. Verify samples of sputum, blood or others are properly transported to the laboratory or previously designated location.
6. Maintain and monitor the MHAC pharmacy, stock, medical kits and emergency kits within the MHAC and for medical escorts if applicable.
7. Provide pre and/or post counselling to migrants or refugees on TB or HIV education, prevention, and management as appropriate.
8. Prepare administrative reports and program updates, as necessary.
9. Support the planning and execution of mobile missions if applicable.
10. Assist with pre-departure documents, briefings, and preparations, as necessary.
11. Perform medical escort duties when required to ensure migrants receive continued care throughout all phases of migration (before departure, during the journey and at the destination).
12. Maintain collaborative relationships with various partners to facilitate the follow up and relevant information sharing. Partners include internal IOM departments, other health providers, panel physicians, embassies other UN agencies or NGO's and others as applicable.
13. Collect statistical information and share with the Senior Migration Health Nurse or CMHO as per preset and agreed upon format.
14. Perform other duties as may be assigned.
